[kompass WK 83 Stubaier Alpen](#)

Ascension:

Hike through deep forest, sometimes meandering along designated paths to the beautiful and wide open Falbesoner Ochsenalm plain, approximate travel time - 01 / 01.5 Hrs. From here you can already see the hut perched on the next plateau. The path now leads you on the right side of a stream into the valley, the ending is a steep climb to your goal!

Arriving from the Milderaunalm

Difference of altitude: 1.280 meters

Walking time: 4,5 – 5 hours

Map examples and links: [AV-Karte 31/5](#), Innsbruck-Umgebung

Ascension:

Travelling West from Krößbach (Oberegg) to the Milderaunalm, you reach the Kerrachgrube forest line. Once there head South along a steep path. Heading towards the „Ring“, your path flattens out and opens up to the Basslerrinnen, the Schrimmenkar and the Schafleger Windtratten where you will find our hut.
